## Section 1. Preliminary Statements

Applicants submit herewith patents, publications or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

Certain of the references may contain markings, underlining or other notations. These markings or notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other parts of references, in that such markings were either present on the copies of the references obtained by Applicant, or were made thereon during the course of study of the reference by Applicant and/or his attorney.
